To whom it may concern:

My name is Beatrice Sallard P.S. 132x on Thursday March 11th, 2010 I attended a meeting which was conducted by Sarge. Through out the meeting it was discussed different ways on how to approach your kids, talk to them and discipline them. I was reading the pamphlet and there is different programs I find that it would be very helpful for us parents. I'm very interested in this program to be brought to our school so my children can participate in it. Also, I believe that it will make a difference to the kids in the community. We need the program because he had a talk with my son Latrell and it really made a difference, he is improving just in a short time. Thank you in advance.

Sincerely,
