Student Name: Christopher Sein

Email Address: [REDACTED]

Why my son is in this program : Chris, got caught with possession of Marijuana on school grounds and petty theft. Meeting was followed with Chris teachers and principal, got suspended for 5 days and made us sign a letter saying if this happens again he will be expelled from this school district. Teachers commented on his disrespectful behavior, not working at full potential. Must appear in court May 14 to decide his consequences.

What has this program done for my son: It has shown great improvement in such a short period of time. Looking forward in continuing this program and working on his behavior.

What Program means to me: Hope for a brighter future for my son. Will become a respectful, responsible young man through this program.
